Joseph, Greenwald & Laake, PA, is pleased to congratulate two senior members of its Family Law Group on their selection in 2009's Top Divorce Lawyers. Barbara Jorgenson and David Bulitt share a dedication to treat each client with compassion, experience, flexibility, and creativity. "We believe that each client's situation is unique. We don't use cookie-cutter solutions." We listen, we hear, and we fashion a strategy designed to address each client's specific situation," said Mr. Bulitt. "David and I are trial lawyers at heart, but we know that litigation is only one alternative in divorce or custody disputes. We know how and when mediation or collaborative law is a more appropriate approach, and we have the experience to guide our clients through these approaches," explained Ms. Jorgenson.
